

AUT ACTIVE AGEING RESEARCH CENTRE'S

CoGs First Meet-up!

Connect.
Learn.
Belong.

A friendly, student-led community open to all AUT students who share an interest in ageing.

Interested in AGEING, OLDER ADULTS or the study of HUMAN LONGEVITY?

Our Community of Gerontology Students (CoGs) meet-up is designed to be a warm and inviting space for everyone to relax, chat and get to know each other better.

Expand your network. Share ideas.

Be part of something meaningful.

This is your space to...

Meet like-minded students across disciplines

Learn what gerontology actually is

Share ideas, projects, and experiences

Enjoy morning tea (provided!)

Help shape future CoGs events and activities

Take part in light 'Day of Play' wellbeing activities
